Dear Sir:

Applicant has received the Examiner's Statement of Reasons for Allowance with the May 17, 2007 Notice of Allowance and Allowability regarding the above-identified application. Entry of the Statement into the record should not be construed as any agreement with or acquiescence in the reasoning stated by the Examiner. Each of the claims stands on its own merits and is patentable because of the combination it recites and not because of the presence or absence of any one particular element.

The Examiner's Statement was not prepared by Applicant and only contains the Examiner's possible positions in one or more reasons for allowability. Thus, any interpretation with

respect to the Examiner's Statement of Reasons for Allowance should not be imputed to the Applicant.
